APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of underground waters of the Las Vegas Artesian Basin as heretofore granted under Permit No. 10940 is issued subject to the terms and conditions imposed in said Permit No. 10940 and with the understanding that no other rights on the source will be affected by the change proposed herein. A valve must be installed and maintained to prevent waste of water and accurate measurements of water placed to beneficial use must be taken from time to time. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 2.0 cubic feet per second.

Actual construction work shall begin on or before August 8, 1947

Proof of commencement of work shall be filed before September 8, 1947

Work must be prosecuted with reasonable diligence and be completed on or before August 8, 1949.

Proof of completion of work shall be filed before September 8, 1949

Application of water to beneficial use shall be made on or before

August 8, 1951. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 8, 1951.

Cancelled OCT 8 1955 because of failure of applicant to comply with provisions of permit.

WITNESS MY HAND AND SEAL THIS 11th day

of February, 1947
